

*The independent consumer champion for health and social care*

## Dignity Champions

Visit health and care services such as care homes, hospitals or mental health units

Understand the experiences of those who are staying there and their visitors

Collect and provide feedback so we can make recommendations if needed

## What we ask of you

- Complete a simple Dignity Champion form
- Have empathy, understanding and be disability aware with the people you meet
- Be friendly with good communication skills
- To be a good representative for Healthwatch on the visit
- Undertake at least 2 visits (if possible)
- Open to visits across more than one of the 3 boroughs (not essential)
- Able to provide notes in a written legible format on the day or typed in MS Word\*
- Provide timely feedback as requested
- Beneficial to have an email address (not essential)

## What we can offer

- ✓ A paid for DBS check (Disclosure & Barring Service) - undertaken online\*
- ✓ Ongoing support
- ✓ Refreshments
- ✓ Relevant Training
- ✓ Travel expenses

**\*Please make contact if you have don't have access to a computer, not confident in using one or unable to make written notes**
