

Local people's questions and concerns following the Grenfell Tower Fire

8th September 2017

Emotional Support

- Why are there no peer support workers assigned to the Grenfell Mental Health Team?
- Are therapists and support workers reporting back on their experiences and will be this collated for research and organisational learning?
- Is emotional support being extended to individuals who were affected by the Grenfell Tower Fire, but who do not live in Kensington and Chelsea? For example, visitors to Grenfell Tower on the night of the fire.

The Tower

- At what point are you going to begin talking to the whole community about plans for the space where Grenfell Tower stands?
- Is the building going to be demolished and if so when?
