

20/20 VISION

INTEGRATING CARE FOR PATIENTS AND THE COMMUNITY

BEGINNING OF THE CONVERSATION

You know how important patients voices are in designing services.

We are inviting patients, carers and service users to come and hear from health and social care service providers how they are planning to work more closely to provide integrated and personalised services for local community.

YOUR OPPORTUNITY IS HERE

Please join us to showcase the work that you do around integration and personalisation, to patients and colleagues from health and social care.

BE PART OF THE FUTURE

This is the first of two events where we will bring service users and service providers to collaboratively design the future of health and social care provision in Westminster, Kensington and Chelsea. A future that works for service users.

DATE: Thursday 20th February 2020

TIME: 10am–12pm, registration from 9:30am

Lunch will be provided with networking opportunities after the event
