Question	Response
<p>Has extra homecare provision been put in place to ensure that the care that people were receiving before Grenfell Tower Fire has not been affected?</p>	<p>Homecare provision continues to be provided across the Borough for people who received social care support before the Grenfell Tower Fire.</p> <p>Services have seen an increase in need, particularly in North Kensington and additional resources have been provided to respond to this.</p> <p>We continue to review service needs and our capacity. Pressures within the Adult Social Care system were evident locally and nationally prior to the Grenfell Tower fire and these continue to be experienced.</p> <p>Anyone affected by the Grenfell Tower fire seeking care and support should contact Care for Grenfell/</p> <p>Care for Grenfell can be contacted by: <b>Telephone: 020 7745 6414</b> <b>Email: <a href="mailto:careforgrenfell@rbkc.gov.uk">careforgrenfell@rbkc.gov.uk</a></b> <b>Website: <a href="https://www.rbkc.gov.uk/newsroom/care-grenfell">https://www.rbkc.gov.uk/newsroom/care-grenfell</a></b></p>
