

Young Healthwatch Westminster

-  Are you aged 14–25?
-  **Would you like to let people who design healthcare know what young people think?**
-  Do you want to suggest improvements to health services for young people?
-  Would you like to have a say in how your local health services are run?
-  Are you interested in sharing your opinion with health providers to help them improve services?

Then join Young Healthwatch Westminster!

We meet every first Wednesday of the month in Westminster.
