The Advocacy Project Community Choir

A warm welcome awaits you!

We already have one performance booked for 6 December, and we'd like to hold carol concerts during the runup to Christmas, in various locations...

Why join our choir?

- It's a chance for you to be part of a group and come together to create a beautiful sound
- You don't need any experience
- Some staff and advocates have also said they'd like to join
- If you have friends who like to sing they can join too
- We plan to work with nationally known performers and other community choirs
- If you enjoy singing, we'd love you to get involved
- It should be a lot of fun!

Our choir leader

We are lucky to have Josh Kyeyune as one of our independent advocates, and he will be the musical director. He has lots of experience of bringing singers together to perform. There will be a wide range of music, some of which you will probably know well, and some that may be new to you.

Where we will rehearse

We plan to rehearse in a number of different locations, such as shared spaces in care homes and hospitals near you. The choir will practice on different days of the week so that as many people as possible can join in.

We're looking forward to welcoming you!
